Valois and Maple,

I wanted to let you know that NEPA received another inquiry about the Dewey-Burdock Project (pdf attached). I will be preparing a response similar to the one done for Baker-Gamache (copy also attached for your convenience). I expect it will be routed for concurrence through you although I do not plan to say anything different that was stated in the B-G latter.

The notice for the Final EIS was published in the Federal Register on Friday 1/31/2014.
